

## Lewis Mountain Campground

Park Information recording: (540) 999-3500 or online at [www.nps.gov/shen](http://www.nps.gov/shen)

<b>Welcome to Lewis Mountain Campground.</b> Family camping in Shenandoah National Park can be a fun and rewarding experience. Remember that you are sharing this space with plants, animals, and other campers. Consideration is important.	
<b>CAMPING</b>	Camping is on a first-come, first-served basis. Reservations are not accepted at Lewis Mountain Campground. Checkout or register by 12:00 noon. Camping fees are non-refundable and camping is limited to 14 consecutive days per year.
<b>CAMPSITES</b>	Each campsite is equipped with a picnic table, fire grate, and parking area. Electric and water hookups are not available. Campsites are limited to 6 people, 2 tents, and 2 vehicles (including trailer) per site. Respect the area by not trenching your tent or putting nails in trees. Use tent pads if available. <b>Be sure to leave something (not a food item or cooler) on your site at all times to show occupancy.</b>
<b>CAMPFIRES</b>	You may gather dead wood that is down on the ground. Don't cut, saw, or break any standing trees, dead or alive. Fires are only allowed in grates. <b>Never leave fires or hot coals unattended and be sure they are extinguished completely.</b>
<b>FOOD STORAGE, WILDLIFE, AND PRESERVATION</b>	<b>THIS IS BEAR COUNTRY</b> and deer, raccoons, and skunks are year-round residents. Store your food out of their reach. Put food (including pet food), coolers, and utensils in your vehicle or on a food storage pole. <b>It is illegal to feed the animals. Never feed, frighten, or disturb deer or other wildlife. Leave wildflowers, artifacts, and all resources for others to enjoy.</b> All plants, animals, artifacts, and other natural resources are protected by law in national parks.
<b>SANITATION</b>	<b>Wash dishes at your site, not in restrooms.</b> Wastewater/gray water must be disposed of in the service sinks in restrooms. Sewage and wastewater from trailers and recreation vehicles must be emptied at a dump station. The closest is at Big Meadows, milepost 51. Water is a precious and limited resource, especially on top of the mountain; use it wisely.
<b>CAMPSTORE, LAUNDRY, &amp; SHOWERS</b>	Shenandoah National Park operates the campgrounds. ARAMARK, the official park concessioner, operates the showers, laundry, and campstore. Showers, washers, and dryers take quarters. Wastewater treatment is an expensive undertaking in Shenandoah National Park. Your quarters help return clean water to the park environment.
<b>VEHICLES &amp; BICYCLES</b>	All roads in the campground are one way and the speed limit is 10 mph. Be sure to keep motorcycles, vehicles, and trailers on paved areas. Remove wide mirrors when trailers are unhitched. Bicycles are permitted on paved roads only.
<b>RECREATION</b>	Be sure to check the schedule of ranger-conducted activities. Visitor centers have exhibits, maps, publications, and hiking information. They are located at mile 4.6, milepost 51, and mile 79.5. Skates, rollerblades, scooters, skateboards, fireworks, and all weapons are prohibited. <b>Generators may be used from 8-10 a.m. and 4-7 p.m. Quiet hours are from 10:00 p.m. to 6:00 a.m. Pets must be on a leash 6 feet long or less. Do not leave pets unattended and clean up after them.</b>
<b>EMERGENCIES</b>	Contact rangers at the registration station or the campground hosts at Site 1. If they are not available, use the pay phone behind the showers to call <b>1-800-732-0911</b> . The nearest hospital is located in Harrisonburg; drive 8 miles south on Skyline Drive, then 22 miles west on U.S. 33.
